AMENDMENT AND RESPONSE UNDER 37 CFR § 1.111

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Applicant has carefully reviewed and considered the Non-Final Office Action (NFOA) mailed on February 8, 2007, and the references cited therewith. Applicant notes that the NFOA is word-for-word identical to the Final Office Action (FOA) mailed June 1, 2006 for all sections starting with the 103 rejections on page 4. However, the claims addressed in the June 1 FOA are different than those currently pending since Applicant amended the independent claims 1, 3, 11, 22, 31, and 33, and thus the word-for-word copied rejections do not apply unchanged. Accordingly, Applicant respectfully requests that the Examiner provide a bona fide examination of the present claims, and reconsider the arguments and remarks provided in the RCE and Amendment and Response filed September 1, 2006, since those arguments and amendments carefully address the rejections of the June 1, 2006 FOA.

Please amend the above-identified patent application as follows. Applicant's Remarks follow the amendments
